# Current Scenario | MICE

# Market Gap

No marketplace for buyers and sellers of M.I.C.E. product and services

01

Unified Platform

Absence of an accurate M.I.C.E. review mechanism

02

Review Mechanism

Inability for sellers to provide deals and buyers to benefit from them

03

Deals

04

Cost

Increased cost as a result of various inbuilt commissions

05

Agents

High dependence on Travel agents and Event companies

06

Man Hours

Extensive Man hours wasted in planning M.I.C.E.

# Shortcomings in current scenario

Lack of options for the client as a result of high dependence on M.I.C.E. planners

Complex and time consuming RFQ process for evaluations

Unfair business practices adopted by M.I.C.E. companies to win deals

Client's dependence on agent's preferential selling pattern

Multiple agencies reaching out to same partner causes confusion

Activity Name	About the Activity	Activity Type
MEALS ON WHEELS CHALLENGE	Meals on wheels or a Food truck business is one such popular business that each of us perhaps has the first-hand experience of – as customers! As simple as it looks, creating this successful business calls for a lot of business acumen.	Indoor ,Outdoor
THE PIXEL CHALLENGE	Just as millions of pixels, come together to create a larger picture!	Indoor ,Outdoor
THE COOK-OFF CHALLENGE	The Cook-Off Challenge tests the teams' ability to become "Chefs for A Day". To hold the title of a chef is no simple task. It goes beyond the ability to cook well. The fun and excitement of the program is no doubt the biggest draw. This fun, participative event tests for around 4 hours and can be conducted for any team of 10 people and upwards.	Indoor ,Outdoor
THE CITY RACE CHALLENGE	Inspired by the popular TV show 'Amazing Race', this fast-paced team building event challenges teams to work together as they race together to cover the maximum number of points. This involves solving clues, completing challenge stations and completing humorous team tasks along the way, all with healthy doses of laughter thrown in.	Outdoor ,Adventure
THE EGYPTIAN CHALLENGE	In this engrossing team experience, large teams are broken up into smaller units, who are then challenged to build their own small Pyramids. As the builders of yore would vouch for – that is easier said than done! All the equipment they would possibly need is handed to them – cardboard, paper cutters, et al.	Indoor ,Outdoor
THE GEOCACHING CHALLENGE	Geocaching is a high-tech treasure hunting game played throughout the world by adventure seekers equipped with GPS devices.	Outdoor ,Adventure

# Steps to send RFQ to Hotels

The screenshot displays the MICEKART user dashboard. On the left is a dark sidebar with the MICEKART logo and navigation options: 'User Dashboard' (with a dropdown arrow), 'Resident RFQ', and 'Non-resident RFQ'. The main content area features three large colored buttons: a blue button for 'ALL RFQs' (count 3), a green button for 'OPEN RFQs' (count 1), and an orange button for 'CLOSED RFQs' (count 2). Below these buttons are three tabs: 'All RFQ's', 'Open RFQ's' (which is selected and underlined), and 'Closed RFQ's'. A table lists RFQ details with columns: RFQ Number, Attendee, Sin. Rooms, Dob. Rooms, From, To, and Hotels. The first row shows RFQ #107 for attendee 100, with 120 single rooms and 40 double rooms, from 01/02/2020 to 03/02/2020. The hotel name is 'The Silver Palace Vizag' and the status is 'CUSTOMER REQUESTED'. A '(View Discussion)' link is provided. At the bottom right of the table, there are navigation arrows and a red box containing the number '1'.

Now, the user can go to his/dashboard to see that his/requirements is submitted to the hotel
